## **Gambler's Choice:**

*Jumps will be set at varying heights between 2'3-2'9 with each jump assigned a point value based on height and difficulty. Riders have 60 seconds to jump as many obstacles in any order and any direction to increase their points. Each jump may only be jumped a maximum of 2 times. Riders will only receive points for obstacles jumped clean, faults will result in no points for that obstacle. Upon completion of their round, the rider may choose to attempt the "Joker" fence worth 200 points. If jumped cleanly, 200 points will be added to the rider's score. If knocked down, 200 points will be subtracted from the rider's score. The rider with the most points at the end of the class will be the winner and will receive 50% of the pot.*

**\*Please note: There will be NO OPEN SCHOOLING for the August 17<sup>th</sup> show**
